

Sponsored by the Hampden-Wilbraham Regional School District, with funds from the Safe Schools/Healthy Students Project.

RCII: June 28—July 2, 2010

8:00 a.m.—3:30 p.m.

Minnechaug High School

Media Center

(air conditioned)

Instructor—  
Maureen Russell

\_\_\_\_\_ RCII for K-6 educators who have taken RCI. You must have at least one year of experience in implementing the model in the classroom. You will further your understanding of how to use the basic RC components to connect social and academic learning. You will also learn new strategies for implementing academic choice and helping children solve common classroom problems. Participants who complete RCII are eligible to train in the RC certification program.

Name \_\_\_\_\_ School \_\_\_\_\_

Morning coffee will be provided and participants should bring a “brown-bag” lunch.

The fee for out of district participants (*if space allows*) is \$300. Please make checks payable to HWRSD.

Send registrations by May 1, 2010 to Andrea Noonan  
HWRSD, 621 Main St., Wilbraham, MA 01095  
anoonan@hwrdsd.org  
phone 413.596.6045 fax 413.599.1572

*This course offers 30 PDPs through HWRSD professional development. Alternatively, 3 graduate credits (67.5 PDPs) will be available from Chapman University for a fee upon completion of additional requirements. Your instructor will provide details on the first day of class.*
