

Grade K-8 Health/PE Meeting  
Agenda for 12/11/2006

1. Department Study Groups
  - a. Study Group Proposal Form
  - b. PDP Request Form
2. Curriculum Guides – Current? Adequate? Accessible? Format?
3. Human Development
4. DARE 2
5. Topics of Interest – Areas of Concern
6. PD & January 22 Inservice Day

*HWRSD Study Group Proposal Form*  
*Opportunity for Collegial Inquiry Into Issues of Teaching and Learning*

Do you have a group of colleagues who share an interest in:

1. Reading and discussing specific professional literature?
2. Researching approaches to solving a particular teaching or learning problem?
3. Analyzing student work for determining common misconceptions and next steps?
4. Exploring websites and available hardware/software for curriculum planning?
5. Integrating information technology into the curriculum?
6. Some topic that, if better understood, could improve your professional work?

If your answer is yes to any of these questions, please complete the form below and send it to your Principal followed by Asst. Supt. for approval of your proposal. After approval, the activity may be completed, and all sign-in sheets and documentation should be attached to the PDP Request Form and submitted to the Asst. Superintendent's office for processing.
