

June Newsletter

June is here, and our thoughts have turned to summer vacation!

I am really enjoying these final days with your children. They have grown so much, physically, emotionally, as well as academically. I am very proud of their accomplishments. Thank you for sharing them with me this year!

This week we are studying the letter "Z", followed by our field trip to the Lupa Zoo on Thursday. We'll end the year with the study of the letter "O", and Ocean Life. In Math we will be wrapping up subtraction, and reviewing concepts already taught.

Dates to remember:

- Thursday, June 5th– Field Trip to The Lupa Zoo (Rain date: 6-10-08)
Bring a lunch and drink in a lunch bag. (Everything must be disposable!). Wear sneakers and play clothes. Please apply sunscreen at home before coming to school.
Thanks!
Thursday, June 12th– Beach and Bubble Day!
Wear a bathing suit under your clothes, bring water shoes or waterproof sandals, bring a beach towel, and apply sunscreen before coming to school. (rain date: 6-17-08)
- Wed. June 18th– Last Day of School (1/2 day: dismissal @ 11:25.)

Summer Packets!

The last week of school, look for your child's summer packet coming home. In the summer packet envelope, I will have a summer writing journal, the sight words taught this year, and some suggestions on how to help your child continue to keep up his/her skills for First Grade.

Thank you all for the support and kindness you have given to me, this year at Mile Tree School ! I hope you all have a very safe, and relaxing summer.
