

"What's the Buzz in Room 155?"

June 18, 2008

Here's the last edition of our Kindergarten news. The year has gone by quickly and it's hard to believe it's time to move on. Mrs. O'Donnell and myself would like to thank you for all your help and support this year. The year has really been a collaboration of great teamwork! We have greatly appreciated your support. Thank you for sharing your children with us!

"What's Under the Ocean" by Janet Craig, the video "Deep Sea Dive", and our weekly readers on Summer safety helped us to explore Summer this week.

Summer word searches, prepping Summer journals, creating our own "Ocean views", and leaving behind our legacies for the incoming kindergarteners kept us very busy this final week.

We took time to celebrate our Summer birthdays on Wednesday with a special birthday snack and song.

You are receiving "end of the year" materials to keep everyone in practice for next year. Have fun with them and don't forget to keep track of all the fun in the Summer journals. Attached to your child's Summer journal will be our sight words from the class "word wall". You can create a little dictionary with them by gluing them in a little book, "A" words on the "A" page, "B" words on a "B" page, etc. to help your child organize them for easy use. I'm sure next year's teachers will love to read your child's Summer journal. What a great way to get to know a new student. I, also, hope that your child will participate in our town library's summer reading program. It's a great way to promote Early Literacy!!! We hope you enjoy a happy and safe Summer!! Please don't forget to visit us in Room 155.

Important dates:

6/21: registration begins for Summer Library program
