

# School Supply List for the 7<sup>th</sup> Grade

Below is a list of supplies seventh grade students will need for each of their academic subject areas. We strongly recommend a 5-7 pocket accordion folder for homework, especially if your child has organizational difficulties.

## General Supplies for all classes

- Filler paper
- Pens (blue or black and red)
- Pencils
- Highlighters
- Markers
- Colored pencils
- Individual pencil sharpeners
- Erasers
- Index cards
- White-out

We would like students to **purchase a pencil box/pouch** to store writing utensils, colored pencils, etc. in, as they will be used in several classes. We ask that students not purchase book socks. They put a lot of stress on the bindings of the books.

## Language Arts

- 1.5 inch three-ring binder (preferably with inside pockets)
- 8 dividers with tabs (or two 5 packs if cheaper)
- Collegiate dictionary for home use
- Single-subject notebook

## Math

- 1.5 inch three-ring view binder
- scientific calculator (The following models are suggested since they are inexpensive: Casio FX 260, TI 30XA, TI 30X115)
- Ruler customary/metric
- Protractor
- Single-subject notebook

## Spanish/French/FLARE

- 1 inch three-ring binder
- three-subject notebook or notebook filler paper and 3 dividers
- Foreign Language dictionary for home use

## Science

- 1 inch three-ring binder or 2-pocket folder
- Marble composition book

## Social Studies

- 1.5 inch three-ring binder
- Black fine point wet erase markers (generic or Vis a Vis)
