

## School Supply List for the 8<sup>th</sup> Grade

Below is a list of supplies eighth grade students will need for each of their academic subject areas.

### General Supplies for all classes

- Filler paper
- Pens (blue or black and red)
- Pencils
- Highlighters 1-2
- Markers
- Colored pencils
- Individual pencil sharpeners
- Erasers
- Tab dividers
- Hole reinforcement stickers

We would like students to **purchase a pencil box/pouch** to store writing utensils, colored pencils, etc. in, as they will be used in several classes. We ask that students not purchase book socks. They put a lot of stress on the bindings of the books.

### Language Arts

- 1.5 inch three-ring binder

### Math

- 1.5 inch three-ring binder
- scientific calculator (The following models are suggested since they are inexpensive: Casio FX 260, TI 30XA, TI 30X115)

### Spanish/French/FLARE

- 1 inch three-ring binder

### Science

- 1 inch three-ring binder
- Marble composition book

### Social Studies

- 1 inch three-ring binder

We will review this list with the students in each of our classes during the first week of school and allow students that week to get the necessary supplies for each class. In addition, we have several recycled binders available for student use.
